

# International Max Planck Research School for Solar System Science at the University of Göttingen

## PhD scholarships in Solar System Science

### Planets and Comets

Planetary surfaces  
Dynamics of atmospheres and deep interiors  
Plasma environment  
Small bodies  
Space missions: Rosetta, ExoMars, Cassini, ...

### Solar and Stellar Interiors

Helioseismology  
Asteroseismology  
Stellar modeling  
Exoplanetary systems  
Space missions: SDO, Kepler, ...

### Sun and Heliosphere

Solar magnetism and activity  
Solar corona and wind  
Solar variability  
Stellar activity and variability  
Space missions: Solar Orbiter, SOHO, Stereo, ...  
Balloon- and ground-based observatories: Sunrise, Gregor, ...

Review of applications begins  
**15 November 2013**

### Three-year international PhD program

Attractive IMPRS scholarships, fully funded  
Collaborating with leading scientists  
Working in English language, complimentary German courses  
Inspiring curriculum of scientific lectures and seminars  
Supported by advanced training workshops  
Travel funds provided to attend conferences  
Doctoral degree from the renowned University of Göttingen  
Short-term post-doctoral appointment after graduation

Max-Planck Institute for Solar System Research  
located on the Göttingen Research Campus  
**in Germany**
